Dear Ms. Moran:

Can you please let me know when we can have a telephone conversation about the status of three issues (deed restrictions; Ready for Reuse designation/NPL delisting) referenced in my attached 6/20/12 letter? We have not heard anything further from EPA on any of these topics since this letter was sent and we would still like to have a response as to EPA's actions regarding them since my letter was sent, or any intended actions by EPA regarding them in the future.

I look forward to your response.

Regards, John
